

WPMPT
WordPerfect 5.1 Macro Printing Utility Version 1.1
(c) Copyright 1991, Les Dunn
Micro Management Systems
All Rights Reserved

Mr. Dunn passed away in 2005, so licensing, registration and payment options are no longer valid.

LICENSE AGREEMENT

The WPMPT.EXE program, WPMPT.WPM macro and all accompanying documentation and files are copyrighted. Disassembly or modification without our express written consent is prohibited.

Non-registered users are granted a limited license to use WPMPT on a 30-day trial basis for the purpose of determining whether WPMPT is suitable for their needs. Use of WPMPT, except for this limited purpose, requires registration. Use of non-registered copies of WPMPT by any person, business, corporation, government agency or other entity is prohibited.

Registration permits a user the license to use WPMPT only on a single computer; a registered user may use the program on a different computer, but may not use the program on more than one computer at the same time.

All users are granted a limited license to copy WPMPT only for the trial use of others subject to the above limitations, and also to the following:

- Copies of the WPMPT package (WPMPT11.ZIP) must be distributed in unmodified form, complete with the file containing this license information.
- The full WPMPT documentation, registration information, license agreement and accompanying support files must be included with the copy.
- No fee, charge or other compensation for WPMPT package may be requested or accepted by any licensee without our written approval.
- WPMPT or it's documentation may not be distributed in connection with any commercial venture, product, publication or service without our written approval.
- Operators of electronic bulletin board systems or Listserv services may post WPMPT for downloading by their users only under the above conditions. The package may, however, be repackaged using a different archiving scheme as long as all components of the package are included and the name 'WPMPT10' is retained as the archive file name.
- Distributors of shareware software may distribute copies of WPMPT11 subject to the above conditions only after obtaining our written approval. Please write or call for details.

DISCLAIMER OF WARRANTY AND LIMITATION OF LIABILITY

Micro Management Systems ("LICENSOR") makes no warranty on this WPMPT software ("SOFTWARE") and accompanying documentation as to its performance, accuracy, or freedom from

error, or as to any results generated through its use, including, without limitation, any implied warranties of merchantability or of fitness for a particular purpose, and the LICENSEE assumes the entire risk as to the results and performance of the software. The LICENSOR specifically does not warrant that the SOFTWARE and accompanying documentation will meet the requirements of the LICENSEE or operate without interruption or error.

The LICENSOR will not be liable for any and all claims arising out of or in connection with the SOFTWARE, whether made or suffered by the LICENSEE or any other person, and whether based in contract or tort. Under no circumstances, whether in contract or tort, shall the LICENSOR nor his agents be liable for direct, indirect, consequential, special, or exemplary damages such as, but not limited to loss of revenue or anticipated profits, business interruption, loss of business information, lost business or other economic loss arising out of or in connection with this agreement even if the LICENSOR has been advised of the possibility of such damages. In any event, any liability of the LICENSOR out of or in connection with this agreement or the use or inability to use the software, whether based in contract or tort, shall not exceed the amount paid, if any, to license the SOFTWARE.

REGISTRATION INFORMATION

WPMPRT is distributed as shareware on a 30-day trial basis. A WPMPRT registration licenses you to use the product on a regular basis. Registration also includes mailed notification of updates and technical support.

Individual registration for WPMPRT may be obtained for \$20. A diskette containing the latest version of the program with complete set of documentation and support files may be obtained for \$10. The diskette is not needed if you already have the latest version.
